

Appendix 8 : COVID-19 school closure arrangements for Safeguarding and Child Protection at Great Hockham Primary School and Nursery.

This section of the whole school policy was created in response to Covid-19 and agreed by the Governing Body on 20th April 2020. It will be kept under review as circumstances continue to evolve in line with national and local guidance and should be read in conjunction with the full policy document.

This addendum to our Safeguarding and Child Protection Policy contains additional information about our safeguarding arrangements in the following areas:

- 5.1 Context
- 5.2 Key Contact Information
- 5.3 Vulnerable children
- 5.4 Attendance monitoring
- 5.5 Designated Safeguarding Lead
- 5.6 Reporting a concern
- 5.7 Staff Safeguarding Training and induction
- 5.8 Safer recruitment/volunteers and movement of staff
- 5.9 Children Moving Schools
- 5.10 Online safety

5.1 Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open to provide care for a limited number of children; children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

It is crucial that all staff and volunteers understand the continued importance of acting immediately on any safeguarding concerns that arise. The key principles of our approach to safeguarding and promoting the welfare of children and young people at our school remain the same. This guidance has been developed to give clear direction to staff, volunteers, visitors and parents about our safeguarding procedures in light of the current national and local situation. This appendix should be read in conjunction with the whole school safeguarding policy and not as a standalone document. Unless otherwise stated within this guidance, our normal safeguarding procedures should be adhered to.

5.2 Key Contact Information:

Role	Name	Contact details incl. those when working remotely:
Designated Safeguarding Lead (DSL)	Natasha Hall	01953 498302 head@hockham.norfolk.sch.uk
Deputy DSL	Claire Fowler	01953 498302 office@hockham.norfolk.sch.uk
	Jenny Hayes	01953 498302 office@hockham.norfolk.sch.uk
Nominated Senior Leader in the absence of a trained DSL	Claire Fowler	01953 498302 office@hockham.norfolk.sch.uk
Headteacher/Principal	Natasha Hall	01953 498302 head@hockham.norfolk.sch.uk
Named Safeguarding Governor	Helen Thomas-Jones	chairofgov@hockham.norfolk.sch.uk
Chair of Governors	Helen Thomas-Jones	chairofgov@hockham.norfolk.sch.uk
SET Safeguarding Lead	Claire Fox	claire.fox@se-trust.org
SET Safeguarding Director	Zoe Fisher	zoe.fisher@se-trust.org Mobile: 07920 183447

5.3 Providing School places for Vulnerable Children

For the purposes of this guidance, vulnerable children include those who have a social worker and those children and young people up to the age of 25 with EHC plans, in line with the [DfE guidance](#).

At Great Hockham Primary School and Nursery we will risk assess the needs of all pupils with an EHC plan in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. In line with Government guidance, we appreciate that many children and young people with EHC plans can safely remain at home.

At Great Hockham Primary School and Nursery our Designated Safeguarding Leads and other Senior Leaders will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at increased risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and school staff will explore the reasons for this directly with the parent. Where parents are concerned about the risk of the child contracting COVID-19, school staff and/or the child's allocated social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Our Designated Safeguarding Leads know who our most vulnerable children are. As a school, we have the flexibility to offer a place to other pupils we identify as being vulnerable who may be on the edge of receiving children's social care support.

5.4 Attendance monitoring

In line with the DfE guidance, we will not be following our usual day to day attendance procedures at this time. We will however be submitting daily attendance data to the DfE in line with [supplementary guidance](#) and Local Authority as requested.

At Great Hockham Primary School and Nursery our DSLs will liaise with allocated social workers and will agree with parents/carers whether children in need should be attending school. School staff will then follow up on any pupil that we were expecting to attend, who does not. We will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

All identified children have been assigned a key worker who will telephone regularly (frequency agreed between professionals). Key workers have been given guidance on conducting and reporting these conversations. All conversations will be reported using My Concern. School DSLs will continue to meet at least weekly (remotely) to consider these reports and subsequent resulting actions.

In all circumstances where a vulnerable child does not take up their place at school, or fails to attend as expected, school staff will notify the child's allocated social worker and agree a plan to contact the family.

To enable us to effectively support the attendance of vulnerable children, we will ask parents/carers to confirm that emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

5.5 The Designated Safeguarding Lead

We have identified key designated contacts for safeguarding at our school in section 4.2. of this guidance.

At Great Hockham Primary School and Nursery we aim to have a trained DSL (or deputy) available on site whenever possible. We recognise however that this may not be possible, and where this is the case, we will endeavour to ensure that a trained DSL or deputy from the school or college can be available to be contacted

via phone or online when they are working remotely from home. In some circumstances we might also work with other settings to share trained DSLs or deputies with other schools or colleges (who should be available to be contacted via phone or online video).

Where a trained DSL or deputy is not on site, a senior leader will take responsibility for co-ordinating safeguarding arrangements in place on-site. This might include updating and managing access to child protection/ our online safeguarding management information system, liaising with the off-site DSL (and/or deputy) and, as necessary, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

We will ensure that all staff and volunteers know how to contact and have access to advice from a trained DSL (or deputy). Each day, staff will be made aware of who that person is and how to contact them.

We will continue to work in partnership with children, parents and other agencies to safeguard and promote the welfare of children. Our DSLs will keep up to date with the latest [Norfolk Safeguarding Children Partnership advice](#) and guidance from the LA. Our DSLs will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely in line with the NSCP guidance on attending and contributing to [child protection conferences](#) and [Developing Child Protection Plans](#).

In line with the Department for Education guidance, for the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

5.6 Procedures for Reporting Concerns

The principles for responding to safeguarding concerns as outlined in Section 5 of the main body of the safeguarding policy still apply. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outlined in this policy.

During this unprecedented time, when the majority of children will not be physically attending school, staff are reminded of the need to report any concern immediately and without delay in line with our usual procedures.

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk including at risk from peer on peer abuse and exploitation. Any such concerns should be dealt with as per the child protection policy and where appropriate referrals should still be made to children's social care and as required the police.

Staff working remotely should continue to report concerns using My Concern. They have additionally be asked to telephone the DSL. Where staff do not have access to My Concern they should record their concerns in paper form, using pupil initials only, and telephone the DSL.

Staff are also reminded of the need to adhere to our Staff Code of Conduct and safer working practices guidance.

Where staff are concerned about an adult they should report the concern to the Headteacher. Concerns about the Headteacher should be reported to the Multi-Academy Trust CEO: Jonathan Taylor.

The Multi-Academy Trust will continue to offer support in the process of managing allegations.

5.7 Staff Training and induction

All existing staff and volunteers have received a safeguarding induction and training. They have read part 1 of Keeping Children Safe in Education (2019) and are expected to continue to follow this guidance. The DSL will ensure that all existing staff receive this addendum to the safeguarding policy and will communicate any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers join our school, they will continue to be provided with a safeguarding induction as outlined in Section 4 of the main policy.

If staff are deployed from another education or children's workforce setting to work in our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic. This means that on arrival to our school, we will verify that they have received safeguarding training and they will be given a copy of our safeguarding policy and information about our procedures including information about our DSL arrangements.

5.8 Safer recruitment of staff & volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, we will continue to follow our safer recruitment and selection policy, the procedures outlined in Section 10 of the safeguarding policy and Part 3 of Keeping Children Safe in Education (2019).

In those circumstances where we continue to use volunteers in our school, we will continue to follow the checking and risk assessment processes as set out in paragraphs 167 to 172 of KCSIE and our own safer recruitment and selection policy. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

If staff are deployed from another education or children's workforce setting to work in our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic. This means that we will risk assess the movement of staff and seek written assurances from the current employer that the individual has undergone all the safer recruitment required checks as set out in Part 3 of KCSIE and there are no concerns about their suitability to work with children.

At Great Hockham Primary School and Nursery we will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult in accordance with 'Keeping Children Safe in Education' (2019). We will also continue to make referrals to the Teaching Regulation Agency (TRA) in line with statutory guidance and understand that during the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk.

Whilst acknowledging the challenge of the current environment, at Great Hockham Primary School and Nursery we understand that it is essential from a safeguarding perspective that, on any given day, we are aware of which staff/volunteers will be in the school, and that appropriate checks have been carried out. We will continue to keep the single central record (SCR) up to date and use this as a means to log everyone that will be working or volunteering in our school or college on any given day, including any staff who may be on loan from other institutions. The SCR will also be used to log details of any risk assessments carried out on volunteers and staff on loan from elsewhere.

5.9 Children moving schools and colleges

Whilst we will endeavour to keep our school open, in some circumstances our pupils may need to attend another setting. In order to support children attending another setting during this time, the DSL will endeavour to contact the DSL at the receiving school to provide any relevant welfare and child protection information including any arrangements in place to support them. We will continue to pay regard to data protection and GDPR but these do not prevent the sharing of information for the purposes of keeping children safe.

As a minimum, we will ensure that the receiving setting has access to a vulnerable child's EHC plan, child in need plan, child protection plan or, for looked-after children, their personal education plan and know who the child's social worker (and, for looked-after children, who the responsible VSH is). This will ideally happen before a child arrives and, where that is not possible as soon as reasonably practicable. Where it is not possible for this exchange of information to occur between DSLs the identified senior leaders will take responsibility for this.

5.10 Online Safety

At Great Hockham Primary School and Nursery we recognise that it is more important than ever that we provide a safe environment for pupils including online. We will continue to ensure that appropriate filters and monitoring systems are in place to protect children when they are online via our IT systems and/or recommended resources.

The safety of pupils when they are asked to work online is of paramount importance. The same principles as set out our staff code of conduct must be applied to all online teaching. All staff should ensure that they have read the staff code of conduct and associated [safer working practice guidance](#) and are clear about the acceptable use of technologies, staff pupil/student relationships and communication including the use of social media.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff should record, the length, time, date and attendance of any sessions held.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

We will ensure that children who are being asked to work online have very clear reporting routes in place so they can raise any concerns whilst online. As well as reporting routes to key school staff, we will also signpost children to age appropriate practical support from external organisations such as:

- [Childline](#) - for support
- [UK Safer Internet Centre](#) - to report and remove harmful online content
- [CEOP](#) - for advice on making a report about online abuse

We will also communicate with parents to reinforce the importance of children being safe online. We will ensure that parents and carers are aware of what their children are being asked to do online, including the sites they will be asked to access as well as who from the school or college (if anyone) their child is going to be interacting with online.

Where parents and carers choose to supplement the school's online offer with support from online companies and in some cases individual tutors, we will emphasise the importance of securing online support from a reputable organisation/individual who can provide evidence that they are safe and can be trusted to have access to children.

We will signpost parents and carers to advice what will help them keep their children safe online including:

- [Internet matters](#) - for support for parents and carers to keep their children safe online
- [London Grid for Learning](#) - for support for parents and carers to keep their children safe online
- [Net-aware](#) - for support for parents and carers from the NSPCC

- [Parent info](#) - for support for parents and carers to keep their children safe online
- [Thinkuknow](#) - for advice from the National Crime Agency to stay safe online
- [UK Safer Internet Centre](#) - advice for parents and carers

Support from the Multi-Academy Trust

The Multi-Academy Trust (MAT) Central Safeguarding Team will provide support and guidance as appropriate to enable the DSL's to carry out their role effectively. This includes, remotely accessing Child Protection files for the purpose of quality assurance, support, guidance and direction. The MAT will also provide regular supervision and/or support sessions. This may take the form of an online meeting or telephone call.
