

Understanding the World (UTW)

Animal non-fiction books – understanding camouflage and senses for protection

Geography: maps of the UK and Africa
The different living conditions, weather, housing, and clothing in Africa
Exploring African foods

Science:

Safari Animals (Classification); Seasonal changes: Spring; The life cycle of a Daffodil; Floating and Sinking.

Easter

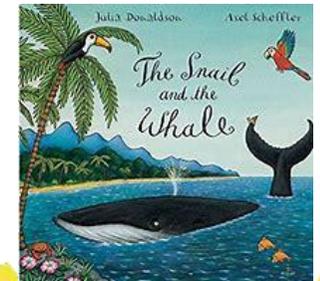

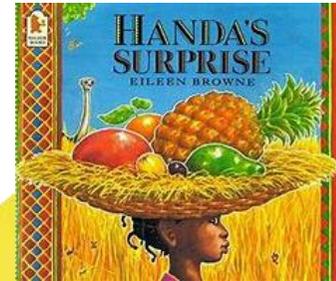

Rabbit Class Curriculum Map Spring 2

Physical Development (PD)

Gymnastics

Children will develop basic gymnastic skills through the topic of 'animals and their habitats'. Children will explore creating shapes, balances, and jumps and begin to develop rocking and rolling. They will show an awareness of space and how to use it safely and perform basic skills on both floor and apparatus. They can copy, create, remember and repeat short sequences. They begin to understand using levels and directions when traveling and balancing.

Personal, Social & Emotional Development (PSED)

Healthy Me

The importance of keeping teeth healthy
The importance of a balanced diet
Planting fruit and vegetables
What happens to our bodies when we exercise
Try new and different activities

Expressive Arts and Design

Music

Can I experiment by making different sounds using percussion instruments?

Can I learn and sing some nursery rhymes by heart?

Art and Design

African Art
Animal patterns
Colour Mixing
Making percussion instruments
Design and make a boat
Observing and drawing spring flowers

Maths

Nursery:

Number 6
Height and Length
Mass
Capacity
Consolidation

Reception:

Time
Building 9 and 10
Explore 3D shapes

Enrichment

A broad range of enhancements are provided both inside and outside for the children to engage with to broaden their curriculum knowledge.

The enhancements can be based on the children's interests, but most importantly, link to the curriculum that the children are learning at that time.

English

Phonics (Little Wandle) The Write Stuff
