Understanding the World

Days of the week
Where we live – places and names
Simple similarities & differences between houses in this country and others
Changing seasons/weather
Begin class timetable of events throughout the year

Enrichment

A broad range of enhancements are provided both inside and outside for the children to engage with to broaden their curriculum knowledge.

The enhancements can be based on the children's interests, but most importantly, link to the curriculum that the children are learning at that time.

Visitor – linked to 'All About Me'
